Christkindlesmarkt Nuremberg

On the Main Market Square, almost 150 festively decorated wooden booths invite you to discover handmade Christmas decorations, gold-foil angels, prune men and culinary delights. Traditionally, the Nuremberg Christkind opens the Christkindlesmarkt on Friday before the first Sunday in Advent and appears regularly at “its” market and the Children’s Christmas Market.

◆ Childrens Christmas Market

On Hans-Sachs-Platz, a nostalgic two-tiered carousel, a mini Ferris wheel and a steam railway make their rounds. Lovingly decorated little houses invite children to enjoy hands-on creativity.

◆ Sister Cities Market

Around 20 partner cities offer international goods on the Rathausplatz – a holiday trip around the world.

◆ Original Regional

Across from the Historical City Hall, in the niches of St. Sebald’s Church, a changing range of vendors offer regional products to explore and enjoy.
